## Web Developer

✉ hitarthverma0010@gmail.com    ☎ 9896440709    📍 Karnal, Haryana

### PROFILE

---

I am a frontend engineer with a keen eye for design. Passionate about UI and aesthetics I strive for pixel perfect responsive layouts alongside clean, maintainable and reusable code. I have an obsessive devotion to JavaScript(), {CSS}, and any tools I can use to render inert engaging, dynamic and appealing with a strong appreciation for User Experience, usability and common sense approach.
